National Assessment of Educational Progress (NAEP)

NAEP is the largest nationally representative and continuing assessment of what America's students know and can do in various subject areas. Sponsored by the U.S. Department of Education, NAEP assessments are conducted annually in reading and mathematics, with additional subjects tested each year such as science, writing, U.S. history, civics, geography, technology and engineering literacy, the arts, and other subjects. NAEP collects and reports academic achievement at the national level, and for certain assessments, at the state and district levels.
