

Stacey Ryan

Business, Marketing, and Information Technology
State Superintendent Advisory Council

President of the Wisconsin Educators of Business & Information Technology (WEBIT)

"At WEBIT, our mission is to promote lifelong learning and support educators in the advancement of business and information technology education. Our purpose is to create a network of lifelong learners, leaders, and mentors. WEBIT and the Department of Public Instruction work together closely to deliver important information and opportunities for business and marketing educators to collaborate and grow with through newsletters, committee work, spring updates, and a yearly conference."
