

Summer Institute: Transforming Systems for Innovation

When: July 15–18, 2024 (Orientation Meeting on May 15)

Where: Lowenwood campus, Land O'Lakes, WI (contract in process)

Who: School teams of between 4–6 people, including (but not limited to) administrators, educators, and instructional leaders. The team should include individuals from a variety of grade levels and job duties (e.g. teachers, counselors, administrators, specialized subjects)

What: Engage in hands-on activities, sessions, discussions, and networking to discover and develop pathways to innovation. Continuous support for implementation will be provided throughout the 2024-25 school year via online sessions.

Cost: DPI will cover food and lodging costs for all participants. Limited to 60 participants. Registration priority will be given to school teams of between 4–6 people. Districts will pay only for travel and other miscellaneous costs. Note that districts could utilize Title II-A and/or Title IV-A funding to offset the costs of travel. Implementation funding will be available for building an action plan.

This is the first step in a two-stage process. Schools that are selected will be asked to provide additional information. Given the limited spots, ensure the endorsement of your district/school leadership before applying.

If you need additional support, contact our team at TeachingandLearningCal@dpi.wi.gov.

* Indicates required question

1. District Name *

2. School Name (if applicable)

3. First Name of Contact *

4. Last Name of Contact *

5. Contact's Title (e.g. principal) *

6. Email Address of Contact *
