Subject: Waiver to Allow Non-congregate Milk Service

The Wisconsin Department of Public Instruction (DPI) requested and was granted a waiver from USDA to waive the Special Milk Program requirement that milk be served and consumed onsite. This waiver allows milk to be picked-up by participants and taken off-site.

USDA did not approve our request to allow this waiver retroactive, therefore this waiver is valid from **May 22, 2020 through June 30, 2020**.

Please complete this form if your agency elects to participate in this waiver:
