*Subject:* CACFP Bulletin: Special Announcement Contract and Claim Submission

The Online Services (contracts, claiming) application went down unexpectedly Thursday July 30, 2020. This includes the online contract and claiming systems for the Child Nutrition Programs. The system is now back up and running.

The database these applications are in has been restored back to 10:15 pm on Wednesday, July 29. Because of this, all DPI internal and agency external contract changes and claim submissions, that were made after 10:29 pm on July 29 has been lost. If you made changes to your online contract or submitted a claim for reimbursement, since Wednesday, you will need to re-submit. If our team approved your online contract, they will need to do it again.

We are sorry for this inconvenience. Please let us know if you have any questions.
