## SFSP Meal Count Tally Sheet Updates Due to Error

It has come to our attention that the SFSP Meal Count Tally forms that were updated this past spring contained an error in the tally count starting at meal #133 (weekly form) and #283 (daily form). If you are using these forms, please make note of this so that meals are claimed correctly. All forms have been updated and posted online on the [Materials & Resources](#) page, under the Meal Counting section.
