

VIA EMAIL ONLY

DATE: January 2016

TO: Authorized Representatives of Agencies Participating in the Child and Adult Care Food Program (CACFP):
Both Independent agencies (1 site) and Sponsoring Organizations (2 or more sites) of the following CACFP components:
→ Group Child Care (including Head Start and Outside of School Hours sites); At-Risk Afterschool Programs; and Emergency Shelters

FROM: Amanda Kane RDN, CD, Director *A.Kane*
Community Nutrition Programs

SUBJECT: Notice and Summary: Updated State Agency CACFP Guidance Memorandums

The State Agency CACFP Guidance Memorandums have been updated, including the *Index of State Agency CACFP Guidance Memorandums* page. They will be referred to as Guidance Memos within this notice and summary from this point forward. Please carefully review the summary of changes that are listed in the table below and implement these changes as applicable to your agency's CACFP operation.

The Guidance Memos serve to explain the CACFP requirements and to provide instructions and forms for meeting these requirements.

Access all Guidance Memos at:

<http://dpi.wi.gov/community-nutrition/cacfp/guidance-memo>

Then, select the applicable Guidance Memo web link(s); there are now separate websites for each CACFP component. Take note that the content within the Guidance Memos posted on the websites for each of the components - Child Care, At-Risk Afterschool Programs, and Emergency Shelters - are currently the same.

→ We advise bookmarking the Guidance Memo website for quick and easy access. If your agency prints hard copies, please **discard the outdated Guidance Memos and replace them with copies of the most current revisions.**

DPI's CACFP Webcast Trainings: the CACFP webcast trainings provide step-by-step instructions on how to meet the CACFP requirements, as specified in the Guidance Memos, which any staff person can view online, at any time, and as many times as needed.

Access DPI's CACFP webcast trainings at:

- For Group Child Care, Outside of School Hours, At-Risk Afterschool Program, and Emergency Shelter sites:

<http://dpi.wi.gov/community-nutrition/cacfp/training/webcasts-cacfp>

- For Adult Day Care sites:

<http://dpi.wi.gov/community-nutrition/cacfp/training/webcasts-adc>

Per your agency's signed and approved CACFP Permanent Agreement (PI-1486-AP) with the Wisconsin Department of Public Instruction (DPI), your agency has agreed to meet the CACFP requirements, as instructed within the Guidance Memos and corresponding webcast trainings, in exchange for receiving federal funds. Failure to meet these requirements can result in fiscal sanctions and, if severe and/or purposefully negligent, can ultimately result in termination from the CACFP.

→ **It is imperative that you as the authorized representative take the following steps in order to remain compliant with the CACFP requirements:**

- Carefully review the most current Guidance Memos and required changes;
- Disseminate the updated information, instructions, and forms to pertinent staff; and
- Establish and implement procedures for effectively transferring this information to new staff when turnover occurs within your agency.

If you have any questions, please contact your assigned Nutrition Program Consultant.

Summary of Changes within the December 2015 & January 2016 Guidance Memo Updates

Guidance Memorandum (Number and Title)	Guidance Memo Document Changes	Associated Forms and Documents (posted under each Guidance Memo)
Ages 1-12+ and Adults	<ol style="list-style-type: none">1) Clearly defines what it means when a food is creditable and noncreditable to the CACFP Meal Pattern.2) Adds the <i>USDA Food Buying Guide for Child Nutrition Programs</i> (FBG) (both the manual and online calculator tool) and the <i>USDA Bread/Grain Chart for the CACFP</i> as resources to use for determining whether specific foods are creditable towards the meal pattern.3) Adds reference to additional foods not listed in the FBG that are creditable to the meal pattern, such as those traditionally served in native communities and different fruits and vegetables served in other various cultures; it also adds a web hyperlink to the <i>Additional Creditable Foods in the CACFP</i> document.4) Adds a section on smoothies by specifying what foods can be credited towards the required components when serving them for meals or snacks.5) Clarifies that home canned goods, regardless of the source, are not creditable to be served for any meals or snacks.6) Adds a section specifying the requirements relating to purchasing local meat, poultry, game, and eggs.7) Adds a section that provides a definition of what “traditional” foods are and the specifies the allowances relating to serving donated traditional foods through food service programs at public facilities and nonprofit facilities, including those operated by Indian tribes and facilities operated by tribal organizations that primarily serve Indians.	

Summary of Changes within the December 2015 & January 2016 Guidance Memo Updates

Guidance Memorandum (Number and Title)	Guidance Memo Document Changes	Associated Forms and Documents (posted under each Guidance Memo)
Infants	<ol style="list-style-type: none">1) Clarifies the Food and Drug Administration's (FDA) definition of iron-fortified infant formula and that formulas purchased outside of the US are most likely not regulated by the FDA and therefore are not creditable towards the CACFP Infant Meal Pattern.2) Provides web hyperlink to FDA's list of exempt formulas; a medical statement is required when claiming infant meals that serve an exempt formula.3) Clarifies the storage requirements for breast milk and requirements for claiming infant meals that serve breast milk to infants over the age of 12 months and when a center staff member breastfeeds her own infant while at the center.4) Clarifies the requirements for claiming infant meals that serve formula to infants over the age of 12 months.5) Adds that single-ingredient infant foods containing DHA are now considered to be creditable in the CACFP Infant Meal Pattern, unless they are not creditable due to other reasons, i.e. hot dogs because they are not intended for infants.6) Adds that based on the American Academy of Pediatrics' recent studies, foods containing one or more of the eight major food allergens by the FDA are creditable to be served to infants as part of a reimbursable meal.7) Clearly defines what it means when an infant food is creditable and noncreditable; provides examples of foods commonly served to infants, but are noncreditable to the CACFP Infant Meal Pattern.8) Clarifies that infants ages 8 through 11 months who are no longer following the Infant Meal Pattern and consuming all table foods, including whole fluid milk and/or adult cereals for breakfast, must have medical statements on file to claim their meals.	
12: CACFP Meal Pattern Requirements (Cont'd) Special Dietary Needs	<ol style="list-style-type: none">1) Specifies that special dietary needs resulting from disabilities must be supported by a statement signed by a licensed physician or a State licensed health care professional who is authorized to write medical prescriptions under State law.2) Lists the State licensed health care professionals who are authorized to write medical prescriptions under Wisconsin law according to Wisconsin State Statute Section 118.29.3) Specifies the recognized medical authorities (as defined by WI State Statutes, Chapter 146.81) who can sign medical statements for special dietary needs that are not the result of a disability, in addition to the State licensed health care professionals who must sign the medical statements when the special dietary need is the result of a disability.4) Adds a new form provided by DPI, the <i>Parent/Guardian Request for Fluid Milk Substitution Form</i>, to be used for obtaining the parent/guardian's written request and information for serving a nondairy milk substitution to their child(ren), including the web hyperlink to this form. <i>(Not applicable to Adult Care)</i>	
Index of State Agency CACFP Guidance Memorandums	The revision dates are updated for each guidance memorandum listed on the <i>Index of State Agency CACFP Guidance Memorandums</i> page.
