504/ADA SELF-EVALUATION AND ASSURANCE OF COMPLIANCE

Instructions

504/ADA Self-Evaluation Questionnaire Form

This form will help you evaluate your organization’s or firm’s programs and services, employment, and facilities to ensure they are accessible to people with disabilities. Complete the 504/ADA Self-Evaluation Questionnaire and keep it on file at your office. Do not return the questionnaire with your contract.

“Quick Look” Barriers Checklist

Note: If the business is a construction company, this form pertains only to the main office, not the construction sites. Firms that provide services outside their office do not need to write a corrective action plan for physical accessibility as long as these services are provided in an accessible location for people with disabilities who cannot access the office. However, physical access must also be reviewed in light of hiring an individual with a disability or accommodating a current employee who becomes disabled.

504/ADA Assurance of Compliance Form

All contractors must complete this form, as required by King County Code 12.16.060. Governmental agencies and contracts for the direct purchase of goods are exempt.

• **Complete this form.** If your organization or firm is out of compliance with any of the 504/ADA requirements, indicate on the 504/ADA Disability Assurance of Compliance form the corrective actions that will be taken to achieve compliance and the date these actions will be completed.

• **Sign the Assurance of Compliance form and send the original back with your contract.** Keep a copy of the form on file in your office for use during on-site reviews. You will be notified at least one week in advance of any scheduled review. (Note: This form may be used as an exhibit with other King County contracts for two years from the date the form is completed.)

If you have questions regarding this process, or if you require this material in an alternate format, please contact a King County 504/ADA Disability Compliance Specialist at 206-296-7592 or 206-296-7596 TTY, or by e-mail: Civil-Rights.OCR@metrokc.gov.

504/ADA General Information

Federal and State laws prohibit discrimination based on disability. Section 504 of the Rehabilitation Act of 1973, as amended (504), and the Americans with Disabilities Act of 1990 (ADA) require that King County and all organizations and firms contracting with King County, except those providing tangible goods, comply with the 504/ADA accessibility requirements.

Under 504 and ADA, a “qualified individual with a disability” is anyone who has, has a history of, or is perceived as having a physical or mental impairment which substantially limits one or more major life activities. Disabilities include, but are not limited to: mobility, visual, hearing, or speech disabilities; mental illness; epilepsy; learning disability; brain injury; HIV/AIDS; arthritis; cerebral palsy; multiple sclerosis; developmental disability; and alcohol and/or drug addiction.

504/ADA requires that information concerning an applicant’s medical condition or history must be kept separate from personnel records and may be shared in only three ways:

(2) first aid and safety personnel may be informed if the condition might require emergency treatment; and
(3) government officials investigating compliance with 504/ADA shall be provided with relevant information upon request.

Physical Accessibility

Complete the “Quick Look” Barriers Checklist and then answer the following questions:

1. Is the building(s) where your business is located barrier-free?

2. If you checked NO to any of the items on the Employment and Reasonable Accommodation checklist above, would these areas prevent an individual with a disability from accessing your program(s) or service(s)?

If access would be impacted, describe on the Corrective Action Plan what steps will be taken to eliminate the barrier(s). If there are extenuating circumstances which would make barrier removal a financial or administrative burden, please explain in the Corrective Action Plan.

Locate accessible parking spaces on the shortest accessible route of travel to an accessible building entrance (where practical, not crossing traffic lanes).

Car and van parking spaces shall have an adjacent access aisle. Two parking spaces may share an access aisle. Van parking spaces that are angled shall have access aisles located on the passenger side of the parking space.

If there is only one accessible parking space, then it shall meet the codes for a van accessible parking space: 11’ wide vehicle parking space plus a 5’ access aisle. (An 8’ vehicle parking space with an 8’ access aisle is acceptable under code.)

For more detail, consult Washington State Building Code (WAC 51-50).
504/ADA DISABILITY ASSURANCE OF COMPLIANCE

I understand that federal and state laws prohibit discrimination in public accommodations and employment based solely on disability. In addition, I recognize that Section 504 requires recipients of federal funds (either directly or through contracting with a governmental entity receiving federal funds) to make their programs, services, and activities, when viewed in their entirety, accessible to qualified and/or eligible people with disabilities. I agree to comply with, and to require that all subcontractors comply with, the Section 504/ADA requirements. I understand that reasonable accommodation is required in both program services and employment, except where to do so would cause an undue hardship or burden.

I agree to cooperate in any compliance review and to provide reasonable access to the premises of all places of business and employment and to records, files, information, and employees therein to King County for reviewing compliance with Section 504 and ADA requirements.

I agree that any violation of the specific provisions and terms of the 504/ADA Disability Assurance of Compliance and/or Corrective Action Plan required herein or Section 504 or the ADA, shall be deemed a breach of a material provision of the Contract between the County and the Contractor. Such a breach shall be grounds for cancellation, termination, or suspension, in whole or in part, of this Contract by the County.

According to the responses to the questions in the 504/ADA Self-Evaluation Questionnaire, (company name) is in compliance with 504/ADA. If the above response is NO, the following corrective actions will be taken:
