

## Emergency Assistance for Non-Public Schools (EANS) Program Update #23

Greetings Wisconsin EANS Program Participants and Interested Parties,

### CRRSA EANS is Ending!

The CRRSA EANS program is ending on September 30<sup>th</sup>! The first of the two EANS programs has been a resounding success in Wisconsin! We have been able to commit almost all of the \$77.1 million in available funds for private schools. Over the next couple of months, CESA 6 will be working to close the books on the program with schools and then DPI will do the final closeout with the federal government.

### CRRSA EANS deadline for final payment of invoices

CESA 6 has set a deadline of **November 15, 2023** (11:59 PM) for vendors, contractors and others to submit invoices for payment on a CRRSA EANS direct service. Any invoice not submitted for payment by this date will be canceled and not paid. All services must have been provided/delivered no later than September 30, 2023.

Please contact CESA 6 EANS staff if you have concerns or questions about outstanding CRRSA EANS invoices. [EANS@cesa6.org](mailto:EANS@cesa6.org)

### ARP EANS statewide pool

We and CESA 6 staff can report that the pool has run successfully to-date and all ARP EANS funds should end up being committed. Any questions on the ARP EANS pool process can be directed to CESA 6.

We hope your school year is off to a good start.

Sincerely,

DPI EANS staff
