RE: Data Errata

To whom it may concern:

This letter is to correct the School District of Abbotsford's October 1 Child Count.

DPI's WISEdash snapshot is showing incorrect environmental codes for 20 students for the 2019-20 school year. This information has been updated in Skyward, our SIS, for each individual student. The error was brought to our attention through the IDEA 2020 LEA Determinations Indicators 5a and 6a, which showed very different numbers from our Oasys system, hence the update in Skyward, the request for the updated WISEdash snapshot data, and consequently a correction in Indicators 5a and 6a.

Codes	Incorrect data	Correct data
A	30	$30-2+12+1=41$
B2	1	
B5	5	
B	56	$56+2-12+1+4=51$
C	5	$5-1-4=0$
R1	3	
R2	1	

Thank you for your assistance on this matter.

Sincerely,

Georgia Kraus
