RE: Data Errata

To Whom It May Concern,

Upon review of our district's economically disadvantaged data for AGR, we discovered that there were records in our Student Information System that were not transmitted correctly for the 2022-2023 Third Friday of September (TFS) snapshot on December 6, 2022. The missing records are now correctly reported in the WISEdata portal. Please see the chart on page 2 which shows the corrected 2022-2023 TFS numbers of economically disadvantaged students, including the K-3 breakdown of our 7 AGR schools.

Procedures are now in place to ensure this data is updated correctly in our SIS in order to be reported properly on future data snapshots. Please do not hesitate to contact me if you have any questions or require additional information.

Sincerely,

Dr. Nan Bunnow  
Assistant Superintendent
