Re: Data Errata

To Whom It May Concern,

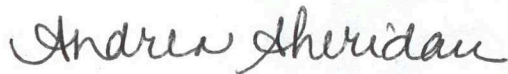

For the School District of Athens, there was no data submitted for the 2021-2022 school year for the count of economically disadvantaged students.

The correct data is:

Not Economically Disadvantaged	280
Economically Disadvantage	152
Total	432

Please accept this letter as official notification of the error of data. Procedures are now in place to ensure this data is entered into the School District of Athens student information system in order to be reported properly on each data snapshot.

Sincerely,

Andrea Sheridan
