Re: 2017-18 Attendance Errors from Belleville Elementary (now closed)

To Whom It May Concern:

The School District of Belleville is submitting this errata letter to correct the attendance for Belleville Elementary for the snapshot taken of the 2017-18 school year. The data is being amended because there was an error during the closing of this elementary school building.

DPI is aware of this issue and we have been assured it has been corrected. We apologize for the errors and appreciate the assistance DPI has given us in getting this situation resolved.

The School District of Belleville Wisconsin identification number is 0350 and the now closed Belleville Elementary building on Pearl Street in Belleville was 0020.

Sincerely,

Tony Schmit

Student Information Specialist/Communication Director
