RE: 2016-17 Attendance Errors for Marathon High School and MVA

To Whom It May Concern:

The Marathon School District is submitting this errata letter to correct the attendance data for the 2017-2018 school year. The data is being amended because the district's current student information vendor is not accurately reporting the correct attendance data. We are working with our vendor to correct this problem.

The correct attendance data for the 2017-18 school year is 259 for Marathon High School and 146 for Marathon Venture Academy.

The School District code is 3304, and School Code LEASCH for the high school is 40 33040040 and MVA 210 33040210.

We apologize for the errors and appreciate your assistance in correcting the reported data.

Sincerely,

Richard Parks, Ed.S.
Superintendent
