Re: 2016-2017 Attendance Errors School of Early Development and Achievement

To Whom It May Concern:

The School for Early Development and Achievement is submitting this errata letter to correct the attendance data for the 2016-2017 school year. The data is being amended because the district's current student information system is not accurately reporting the correct attendance data. To avoid further error in data reporting, the School for Early Development and Achievement is currently in the process of implementing a new student information system to allow for accurate reporting to DPI for the 2017-2018 school year.

The correct attendance data for the 2016-2017 school year is 84.81%. We had 12,057 student attendances possible, out of 14,217 attendance days.

The SEDA LEA District Code is 8107, and the SEDA DPI School Code is 1279.

We apologize for the errors and appreciate your assistance in correcting the reported data.

Sincerely,

A handwritten signature in black ink that reads "Michelle Jenkins".
