RE: 2016-17 Attendance Error for St. Croix Falls Elementary School

To Whom It May Concern:

The St. Croix Falls Elementary School attendance for 2016-17 as reported to the State of Wisconsin during the October 31, 2017 snapshot was incorrect. Data for the other schools within our district was reported correctly. Our student information system (SIS) provider acknowledged that there was an error on their end that resulted in this inaccurate posting of our attendance data.

Since the October 31 snapshot, our SIS provider (PowerSchool) has worked to patch this error and our attendance data for this building is currently reporting correctly for 2016-17 both in WISEdata as well as in WISEdash.

Correct Attendance Percentages for 2016-17 (St. Croix Falls Elementary School)

Grade 4K: 94.6%

Grade 1: 95.9%

Grade 2: 96.1%

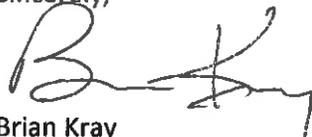

Grade 3: 96.0%

Grade 4: 96.0%

Our intent is to request this letter to be kept on file and be available for public viewing and reflected on the DPI's Data Errata Webpage.

The St. Croix Falls School District Wisconsin identification number is 5019 and St. Croix Falls Elementary School identification number is 0060.
