Re: 2018-19 Attendance Errors for Whitewater Unified School District, JEDI Virtual K-12 School

To whom it may concern:

The Whitewater Unified School District is submitting this errata letter in order to correct attendance data for the JEDI Virtual School for October 1<sup>st</sup>, 2018 as reported to the State of Wisconsin during the December 2018 snapshot. The data is being amended because student attendance was not being submitted correctly and the students were reported as not attending our district. We have rectified this error within our Student Information System.

Correct data would include a count of 12 regular-education students and 1 special-education student, all of whom are residents of the Whitewater Unified School District territory. The Whitewater Unified School District has a district ID of 6461 and JEDI a school ID of 9803.

We apologize for the errors in our data and appreciate your assistance in correcting the reported data.

Sincerely,

**Kelly Seichter**

Director of Instruction
