February 6, 2023

To Whom it May Concern:

It has come to our attention that the Economically Disadvantaged data for the December 6, 2022 snapshot was not submitted correctly. After looking into the problem, it was discovered that the Ed-Fi Configuration was not set up appropriately. We have remedied the situation through our Infinite Campus portal on February 6, 2023 and we believe the information to be “synced.”

Thank you for taking the time to review our request. Should you have further questions please reach out to me at 715-652-2117 or districtoffice@aubschools.com

Sincerely,

Casey Aschebrock
