Re: Data Errata

To Whom It May Concern,

For the School District of Denmark, there was an error with the data submitted for the 2021-2022 school year for the count of economically disadvantaged students.

The correct data is:

School	High	Middle	Elementary	Early Childhood	Viking Academy
Not Economically Disadvantaged	388	259	409	166	20
Economically Disadvantaged	96	78	123	40	12
Total	484	337	532	206	32

Please accept this letter as official notification of the error of data. Procedures are now in place to ensure this data is being reported and verified between our Infinite Campus data to WISEdata/WISEdash properly on each data snapshot.

Sincerely,

Joan Langenberg
Director of Technology
School District of Denmark
