Birchwood School had problems with our SIS program transferring Discipline over to DPI, our vendor is working on correcting this issue for school year 2016-17.

The High School discipline did transfer to DPI, so I am only reporting Middle School discipline.

We had 3 8th grade students involved with drug related activity.

1 student out-of-school suspension from 4/01 through 4/12/2017 for purchase and possession of marijuana while on school grounds. Student expelled with services from 4/13/2017 through 8/30/2017 and returned to Birchwood School on 9/01/2017.
