Godly Resilient Intentional Teachable

December 14, 2022

To whom it may concern,

We are aware that the December 6, 2022 Snapshot of data collected listed student J. A. as a dropout. After working with DPI, it was found that that student had a duplicate WiselD and is, in fact, enrolled at another school. Her WiselD has been updated and she is no longer pulling as a dropout. Please consider this explanation when reviewing the Snapshot data.

Thank you,
