Dear Michelle,

Per the instructions in an email I received from the DPI CS Help Request, I am writing to update a Dropout/Possible Dropout data error in the 2015/2016 school year.

One student in the Lena Public School District was exited and was erroneously reported as "Not Known to be Continuing" at the end of the 2014/15 school year, but then she did re-enroll in our district in February of the 2015/16 school year. She enrolled in the Oconto Unified School District the following year 2016/2017 and did drop out of Oconto that year.

We are submitting this information in hopes that this information can be corrected and as a data errata letter to be placed on the Data Errata Web Page.

Sincerely,

Kathryn Beschta
