RE: Graduation Data Error

It has come to our attention that our 2022-2023 High School Graduation data has only one student marked as graduated out of 87 (87 is the number from 3rd Friday count).

This letter is to correct the following items for the Menominee Indian School District:

Drop outs: 10 students did not meet graduation requirements  
Graduation: 77 students graduated from High School

We have submitted a help ticket to our Student Information System to make this change.

If you have any questions or require additional action to resolve this issue, please contact me at (715) 799-3846 x2161 or via email at [kmitchell@misd.k12.wi.us](mailto:kmitchell@misd.k12.wi.us).

Sincerely,
