Dear Ms. Zellmer and Ms. Jones;

I am writing on behalf of the School District of Baraboo in regards to our October 1, 2017 child count numbers in WISEdash. Our district should have 409 students listed on our child count and we currently have 406 listed. After careful and extensive comparisons and fixing some errors in Infinite Campus, our team was able to compare and account for 409 students. We are continuing to work with DPI and Infinite Campus to address these errors in numbers.

Please change the student enrollment count to 409 for 2017-2018 child count.

Please let me know if you have any questions about this request. I appreciate your help in this matter.

Sincerely,

  
Michele Yates-Wickus  
Director of Student Services
