RE: 2021-22 WISEdata Errata

The intent of this letter is to report and correct the reporting for WISE data December 7th snapshot for Blessed Sacrament School. It looks like our choice students' enrollment information for Blessed Sacrament did not carry over for the snapshot. This has since been resolved.

If you have any questions or need additional information, please feel free to contact me at 608-783-5483 or angela.koblitz@aquinasschools.org.

Sincerely,

A handwritten signature in black ink that reads "Angela Koblitz".
