Data Errata

Michelle Jones
Wisconsin Department of Public Instruction
125 South Webster Street
Madison, WI 53703

This letter is to address missing data for non-Choice students from the recent enrollment snapshot from our SIS, FACTS. This is a known issue with the FACTS application and we are unable to upload information for non-Choice students to DPI.

Our current total enrollment for St. John the Baptist Primary School for grades K4 through 2 is 182. Of those, 74 are Choice students.

Our enrollment for Our Lady of the Peace Primary School (grades 3 through 5) is 108. Of those, 39 are Choice students.

Our enrollment for Columbus Catholic Middle School is 125. Of those, 35 are Choice Students.

Our enrollment for Columbus Catholic High School is 145. Of those, 48 are Choice students.

We have no SNSP students.

We will continue to work with FACTS to try to address the problems preventing the upload of information to DPI.

Sincerely,

David J. Eaton
President
Choice Administrator
