RE: 2023-2024 Missing Student Data

After a review of the May 2024 snapshot report, we were informed that our economically disadvantaged student data was missing at the time of the Snapshot. As part of our commitment to transparency and accuracy, we believe it is essential to promptly address these discovered discrepancies.

After noticing prior to the Snapshot that this was missing, PowerSchool was contacted. All changes were made in our SIS system to correctly reflect our economically disadvantaged students. This did not go through on the Snapshot in time. It now reflects correctly through WiseData Portal.

Data should show the following:

9 free lunch
16 not economically disadvantaged

Please accept this letter as official notification of the data error.

Sincerely,

A handwritten signature in blue ink that reads "Laura Fleischmann".
