Re: 2021-22 WISEdata Snapshot Data Errata

While reviewing our data for the 2021-22 WISEdata snapshot, we discovered that the "non-choice" students were marked incorrectly in our SIS (Gradelink). I manually corrected the issue and our "non-choice" students are now identified correctly in our SIS.

If you have any questions or need additional information, please contact me at 920-923-6313 or [faithofficeassist@faithlutheranfdl.org](mailto:faithofficeassist@faithlutheranfdl.org).

Thank you for your assistance in identifying this issue.

Kind Regards,

A handwritten signature in black ink, appearing to read "Holly Mueller". The signature is fluid and cursive.
