To whom it may concern:

This is a data errata letter. I will try to explain our reason for a recent lack of success in uploading our School Choice data from our SIS to the WISEdata location.

First Evang Lutheran (Elkhorn) did not successfully submit data in WISEdata Portal in the December snapshot due to SIS vendor issues preventing data flow. The correct student enrollments would have reflected 18 Choice participants.

Sincerely,

A handwritten signature in black ink that reads "Michael Falk". The signature is written in a cursive style with a large, stylized "F" and "L".
