To Whom It May Concern:

This letter recognizes the WISE Data discrepancy in the “Free or Reduced Lunch” percentage at Garden Homes between the 2017-2018 school year and the 2018-2019 school year. Garden Homes Lutheran School’s percentage of “Free or Reduced Lunch” increased largely between these two years. The reason for the increase was an error in our SIS.

On the day of the snapshot our SIS had the correct number of students selected as economically disadvantaged but the lunch program they qualified for was always left as “free.” A total of 71 students needed to be changed to “Unknown.” The error has been corrected. This correction changed our percentage of “Free or Reduced Lunch” to 71%.

If you have any questions, please contact our Vice Principal, Nathan Bauer, at 414-444-9050 or via email at nbauer@gardenhomeslutheran.org.
