

Data Errata Letter 2022 – 2023

DPI,

My name is Kerrick Sawyer. I'm the new principal at Green Bay Trinity Lutheran School. I'm learning WISE and the various data submissions needed for the state. I'm working with FACTS our SIS to fix the errors that exist from 2021 – 2022. It will be done soon. In the future, I'll know the system and have errors fixed prior to snapshot dates. Sorry for the inconvenience.
