Dear Ms. Jones:

This letter is to correct the Herman-Neosho-Rubicon School District's October 1 child count data.

DPI's WISEdash snapshot is showing a count of 34 special education students on the October 1 child count for the 2018-2019 school year. The correct WISEdash October 1 child count number should be 40. We have determined that six (6) students were released from special education during the year but were students with IEPs as of October 1. We will conduct an internal audit to determine why students did not show up on the snapshot and hope to rectify this variance in the futures.

Thank you for your assistance on this matter.

Sincerely,

A handwritten signature in black ink, appearing to read 'Dennis Kaczor'. The signature is fluid and cursive, with a long horizontal stroke at the end.
