“Training and Inspiring Servant-Leaders for Christ”

12/14/2021

To Whom It May Concern:

The December 07, 2021 snapshot data for Heritage Christian Schools is incorrect. At the time of the snapshot, our SIS (FACTS) was not allowing our school to access all of our enrollment data. Of our 545 students, HCS was able to access and verify 99 students.

We worked diligently with the FACTS programmers, but they were unable to resolve the issue in time for the 12/7/21 snapshot.

Thank you,
