Dear Ms. Jones,

The School District of Mauston has become aware of an October 1 Child Count discrepancy for the 2016-17 school year.

The Child Count for Mauston is missing one student who has shown up on Tomah's Child Count for 2016-17. This student attended Mauston for nine years and withdrew on October 27, 2016 to attend Tomah. Our Student Information System is reporting his information correctly, and he is also showing correctly in WISEdata as "True" for Oct 1. In WISEdash, however, he is reported as "SwD" but with no educational environment listed.

Please accept this letter as notification of this error. Thank you for your time and assistance in this matter.

Sincerely,

Michele Yates-Wickus
Director of Pupil Services & Special Education
