To Whom It May Concern:

The Mequon-Thiensville School District's enrollment for the 2017-2018 snapshot is incorrect. An issue with the setup of our community-based K4 program in our student information system has caused our district to report incorrect enrollment numbers in our buildings. The total enrollment number is still accurate for the district.

We have requested to removed Range Line Early Childhood (0150) starting in the 2019-2020 school year. Going forward, we will be placing these students into another school within our district.

Sincerely,

Stephanie Gumm
