To Whom It May Concern:

The School District of New London is submitting this errata letter to correct the Child Count for the 2017/18 school year. Two students were not reported (it appears it has something to do with the end date of their IEP's being 12/12 and the beginning of the new IEP's being 12/13 and the snapshot being on the 12th). Therefore, the total number that should appear for the Child Count is 378; with one addition to each S/L and LD; 2 additions to the New London Middle School and both were females.

Thank you for your help in correcting this.

Sincerely,

Ms. Laurie Schmidt
