RE: Data Errata

This letter is to correct the number of Students with Disabilities reported on the October 1, 2018 Child Count for the North Cape School District. We were unable to resolve the issue between our SIS (PowerSchool) and our special education reporting system (Oasys). PowerSchool is aware and is working on a fix for this problem.

Our 2018-2019 Child Count Snapshot shows 21 students. The corrected Child Count should be 25.

Please accept this letter as notification of the error. Thank you.

Sincerely,

Judy Rousar  
Administrative Assistant  
North Cape School District
