RE: 2014-2015 Enrollment for the School for Early Development and Achievement (SEDA)

Dear Ms. Aro,

The enrollment data provided on SEDA's 3rd Friday Count is incorrect. It currently shows that our enrollment for the 2014/2015 school year was only 29. Those 29 students are special education students who were indicated as having "received services" in the drop down menu in ISES. We also had 52 regular ed. students that, in error, were not indicated as "receiving services". Our total enrollment for the Sept. count is 81.

Our intent is to request that this letter be kept on file. We would like to have the correct data on record with the State of Wisconsin, and ask that our claim for funding be updated with the latest approved amounts.

The School for Early Development and Achievement's district code is 8107, the schools ID is 1279.

We apologize for this error, recognize how it happened and assure you that this error will not happen again. If you have any questions or concerns, please feel free to contact me at 414-937-2059.

Sincerely,

A handwritten signature in black ink, appearing to read 'N. Ciurro', with a long horizontal flourish extending to the right.

Nicola Ciurro
School for Early Development and Achievement Principal
