Re: Errors after the Snap Shot-St. Vincent de Paul School

To Whom It May Concern,

Our SIS was able to clear the 7055 Food Service Errors for 8 students (16 errors) at St. Vincent De Paul School for the 2021-2022 school year. However, it did not occur until after the Snap Shot.

I apologize for the lateness. We were able to clear some other errors late afternoon on the 5<sup>th</sup>, but the 16 errors occurred after the others cleared up.

Regards,
