WISEID – DPI
Wise Date Reporting and Snapshot

Re: Snapshot Errors

To Whom it May Concern:

At the time of the Snapshot, we were showing these errors: 2021-2022 Error #6606 and 2022-2023 Error #6777. However, our SIS vendor, FACTS Management, was not able to fix the errors before the Snapshot date.

Please note this was not the fault of St. John's Lutheran School, it was the fault of the SIS vendor. They are actively working to fix these errors.

Thank you for your attention to this matter.

Sincerely,

A handwritten signature in black ink, appearing to read 'Sharon Adel', written over the printed name.
