To whom it may concern:

This letter recognizes the WISE ID discrepancy between the Department of Public Instruction (DPI) and Saint Lucas Lutheran School in regards to the number of students at Saint Lucas and the number of Milwaukee and Wisconsin choice program participants.

On the day of the snapshot, our total enrollment count was incorrect. We have determined the problem in our SIS and corrected it. Our total enrollment at Saint Lucas on September 20, 2018, was 188 students.

Also, the number of MPCP and WPCP participants at Saint Lucas Lutheran School was incorrect on the day of the snapshot. On September 20, 2018, we had a total of 131 students enrolled in choice programs.

If you have any questions, please contact our Director of Advancement, Ericka Tipton, at 414.269.1258 or via email at etipton@saintlucas.org.
