December 10<sup>th</sup>, 2021

To Whom it May Concern,

I was working with our school report card and noticed that the number of Choice Students shows 41 at St. Paul Lutheran in Bonduel. Reviewing our OAS report, St. Paul had 51 choices students during the 2020-21 school year. Please make changes as needed.

Sincerely,

Gerry Schmidt  
Principal/School Choice Administrator  
Saint Paul Lutheran School – Bonduel
