To Whom It May Concern:

This letter recognizes the student WISE ID discrepancy between Department of Public Instruction (DPI) and St. Matthias. We have worked with our school operating system, PowerSchool, to rectify the issue.

With our corrected count, St. Matthias had 242 total students on Friday, September 21, 2018, and out of the 242 total students, there were a total of 12 absences. We had a total MPCP students of 120, and a total number of WPCP of 17 of these students the 137 that were absent on September 21, 2018 was 10.

We are respectfully requesting that our WISE Data be corrected at DPI. The cause of us not submitting the data in the required time was due to transition of employees.

If you have any questions or concerns regarding this matter, please contact St. Matthias, Karen Earle at (414) 321-0894.

Respectfully,

Hilda Esteves
