RE: Data Errata

This letter is to correct the number of Students with Disabilities reported on the October 1, 2017 Child Count for the Stevens Point School District. The data needs to be amended due to an issue encountered between our district's special education reporting system (Skyward) and WISEdash. We were unable to resolve the issue until after the count date resulting in the snapshot missing 4 of our students. Our student software program (Skyward), and WISEdash are now reporting this information correctly. Our 2017-2018 Child Count Snapshot shows 1029 students in WISEdash. Our corrected WISEdash October 1, 2017 Child Count Total should be 1033.

Please accept this letter as notification of this error. Thank you for your time and assistance in the matter.

Sincerely,

A handwritten signature in black ink that reads 'Sara Totten'.
