RE: 2016-17 October 1 Child Count

To Whom It May Concern:

The West Allis-West Milwaukee School District's October 1 Child Count for the 2016-17 snapshot is incorrect. An issue with our Infinite Campus system caused several students to not update to the WISEdata system as True for October 1 Child Count. This letter will state the correct October 1 Child Count Numbers.

We request to have the correct data on record and this same corrected data used in the calculation for the State of Wisconsin October 1 Child Count for West Allis-West Milwaukee School District. The snapshot of the October 1 Child Count number shows 1271. The correct 2016-17 October 1 Child Count number is 1342.

The West Allis-West Milwaukee identification number is 6300.

We have established communication, procedures and reports to ensure this type of error does not occur again in the future. If there are any questions, please feel free to contact me at 414-604-3051.

Sincerely,

Frona K. Tenuta
