Wisconsin Department of Public Instruction
Attention Michelle Jones

Good Morning,

Weyauwega-Fremont School District is submitting this errata letter to correct the October 1 Child count for the 2017-18 school year. Four students did not show up on the count. All four were in WISEdata and WISEdash on Monday afternoon but were not included on Tuesday morning. Therefore, the total number that should appear for the Child Count is 112. All four students are SL only students, one female attends Weyauwega Elementary, one female and two males are parent placed private students.

Our district wants to be sure these four students are included in the snapshot for October 1 Child Count. Please advise on what can be done to ensure they are included. Please contact administrative assistant, Marjorie Loehrke at mloehrke@wfsd.k12.wi.us or 920-867-8865.

Thank you for your time in this matter.
