To Whom It May Concern:

The Wittenberg-Birnamwood School District acknowledges a Third Friday Count discrepancy in WISEdata for the Birnamwood Elementary School for the 2017-2018 school year.

The discrepancy is due to two students moving from the Birnamwood Elementary to the Wittenberg Elementary and the data entry in our Student Information System was incorrectly entered which resulted in the enrollment for Birnamwood to clear from WISEdata. This caused our Third Friday Count to drop by 2. This error has now been corrected. Please change our enrollment from 1164 for Third Friday to 1166.

Please accept this data errata letter for the Wittenberg-Birnamwood School District Third Friday Count for the 2017-2018 School Year.

Sincerely,

Garrett Rogowski
Superintendent
