RE: Yorkville Elementary School #6748, School Level Reporting Report

I am submitting this Data Errata letter for a change request to our WISEdash 3rd Friday Enrollment total for 2019/2020 school year. It appears that 41 students did not have WISE ID#s at the time and they were not pulled in for our complete enrollment count. We believe because of this, our January 2020 second Friday count is not on WiseDash either. We have corrected and added the Wise IDs to the students and the count is now correct.

Please contact me with any questions.

Thank you.
