To Whom It May Concern,

After a review of the WISEdash Discipline Snapshot taken October 31, 2017, Waunakee Community School District acknowledges that it does not accurately report the number of out of school suspensions and expulsions for the 2016-17 school year. Two Waunakee High School students did not report due to a SIS vendor error, SIS-111924 which occurs when a student has multiple removal solutions.

The correct WISEdash numbers should include:

### 2016-17 Disciplinary Removals by Type

12 In School Suspension  
41 Out of School Suspension  
1 Expulsion without Services Offered  
1 Expulsion with Services Offered

### 2016-17 Days Removed by Type

14 In School Suspension  
85 Out of School Suspension  
13 Expulsion without Services Offered  
0 Expulsion with Services Offered.

We continue to work with our SIS vendor to successfully transfer this data thru Ed-Fi. If you have any questions or need additional information, please contact me at 608-849-2000.

Thank you,

Randy Guttenberg  
Waunakee Community School District Superintendent
