Re: Data Errata Enrollment and Economic Status

We were recently informed that our number of students receiving free or reduced price meals was reported incorrectly in the 2022-2023 school year. Below are the corrected numbers for the Fall Creek School District:

Free: 198 (107 Elementary School; 44 Middle School; 47 High School)  
Reduced: 51 (28 Elementary School; 11 Middle School; 12 High School)

We have corrected our procedures in uploading this information into Skyward from WordWare.

Wise Data export reports are now correctly indicating our number of economically disadvantaged students for the 2023-2024 school years.

If you need any further information, please contact me at 715-877-1000.

Thank you,

A handwritten signature in black ink that reads 'Bradley J. Ceranski'.
